- Milk is provided for KG kids. Fresh juice/soups are provided from Grade I onwards.
- Buffet System is followed for lunch from Grade II onwards.
- Teachers also have lunch with students to emphasize table manners.

### Field Trips / Educational Tours : Regular tours and trips are organised to inspiring locations.

### Events & Celebrations : Smart Modern School celebrates all the festivals irrespective of religions.

### Memories : The photos and videos taken throughout the year will be given in CDs.

### Two teacher system in the KG classes ensuring the safety and care of children.

## CHAIRMAN SPEAKS

"Smart Modern School" is an initiative of "Smart Trust" run by six trustees with a motive to provide quality schooling which ensures each student 21<sup>st</sup> century education. Tirupur has made its mark in the global textile market and demands an equivalent contribution in the field of education. To bring the standard education with advanced technology, the "Smart Modern School" is established.

The young management of the school with the support of energetic teaching and non-teaching staff ensures participatory and inclusive methods which allow the children equal opportunity to experiential learning through classroom, out-door activities, excursions and project works. I strongly believe that Smart Modern School is making positive stride in the field of education. Let us join together for the strong foundation of "21<sup>st</sup> century Education".

- C. Sivasami, M.A., Ex M.L.A, Ex M.P.

## OBJECTIVES

- To impart value added and holistic education
